Sir:

**REQUEST FOR RECONSIDERATION**

In response to the final Office Action of November 18, 2005, Applicants' provide the following remarks for consideration.

Applicants request withdrawal of the finality of the November 18, 2005, Office Action. The rejection set forth in the Office Action is presented for the first time, although the art was previously noted by Examiner Gray in the Advisory Action dated January 31, 2005. The Patent Office has had at least two prior opportunities to raise any rejection over the applied art of Kubo but has failed to do so. Applicants' amendments to the claims did not necessitate the rejection, as admitted by the absence of such statement in the November 18, 2005, Office Action, and for the reasons set forth below, namely that the amendments teach away from Kubo. The finality of the rejection is improper, and withdrawal of such finality is in order and respectfully requested.

Pending claims 8, 10, 11, and 13-40 are rejected under 35 U.S.C. §102(e) over Kubo, US Pub. No. US 2002/0122378 A1. For at least the following reasons, Applicants traverse the rejection.

In the response filed August 24, 2005, Applicants amended all independent claims 8, 10, 11, 13, 15, 19, 22, 26, 30, 33, and 37 to recite that:
